D.O. No.:- 1/21-2017 (NSQF)
Dated: 20.11.2017

Subject: Introduction of Applied Skills-Coverage of additional Govt. Sr. Sec. Schools from 2018-19 academic session under CSS-VSHSE.

Dear DEOs,

As you are aware, School Education Department/HSSPP has been implementing Centrally Sponsored Scheme- Vocationalisation of Secondary and Higher Secondary Education in 1001 Govt. Sr. Sec. Schools with 14 skills (2 skills in each School). The intake capacity during the current academic session has reached 1,07,448. The Scheme is being implemented with the close collaboration, association/participation of various stakeholders which interalia include vocational trainers, field functionaries like schools Heads, DPCs, and DEOs.

There is a plan to cover more Govt. Sr. Sec. Schools from the ensuing academic session commencing from April 2018. As per GOI guidelines and also various other parameters, the strength in class 9th, the aptitude of the students for a particular skill to be opted, manpower requirement as reflected in the skill gap report of the districts, infrastructure available, proximity of the industry etc. have to be kept in view while recommending introduction of a particular skill in the school.

As per scheme of studies, these skills have been included in the basket of optional subjects. Since school identified for the introduction of skills has to opt for two skills with 25 students each, in case other optional subjects already available in the schools and also regular teachers are available, Principal has to ensure that at least 50 students are available for opting these skills commencing from class 9th.

Parishad is also in touch with NSDC New Delhi and PSSCIVE Bhopal to ascertain the new courses, particularly in the service sector for which the course content alongwith defined job is being developed. These will be made available by them shortly. Meanwhile, you are requested to bring this plan of action to the notice of school Principals which have not been covered under the scheme as Parishad has also identified 100 Govt. Sr. Sec. Schools (list attached) which based on enrollment in class IX can be covered under the scheme. This can be verified and additions/ deletions if warranted on the basis of above parameters can be made at your level. Please identify those schools who fulfil the

above parameters. The identification may be done by collecting data in the enclosed format .

I hope you will pay personal attention, share the communication with the school Principals and ensure that the data as required is collected by giving wide publicity and the schools so shortlisted be shared in the enclosed format with the Parishad at email nsqfharyana@gmail.com by 15.12.2017 in any case.

Regards

(K.K. Agnihotri)
