D.O. No. NSQF/RMSA/989-1009

Dated, Panchkula the 20.04.2017

Sub: Extension and recruitment of Vocational Trainers deployed by VTPs in schools covered under CSS-VSHSE in alignment with NSQF.

Dear all ADCs

I would like to draw your attention to Parishad memo no 2/9-2016(HR-NSQF) dated 20.3.2017 on the subject cited above.

As per the guidelines and procedure laid down, a committee to be headed by you and comprising of DEO, DPC & VTP concerned as also two experts to be nominated by you was constituted for recommending cases for the grant of extension in contract of vocational teachers and also make recommendations for deploying the vocational teachers against vacant positions as also new positions in the schools covered under CSS-VSHSE.

Skill Development Programme being the national priority, is directly monitored by state and Govt. of India at the highest level.

The State Govt. has therefore desired that the whole process of extension in the contract of teachers already deployed be completed by the end of this month in any case. It is therefore to be ensured that the recommendations of the committee as per laid down procedure are given to the VTPs and necessary extension orders are issued by the VTPs concerned well before the end of this month. In such cases only performance, work & conduct as also that they were recruited as per prescribed qualifications are to be kept in view for making recommendation. Neither fresh written test nor interviews in such cases are to be conducted.

The process of recruitment through advertisement followed by written test and interview as per the guidelines, formats, drafts shared be also completed by the end of May, 2017 so that teachers are given orientation during the summer vacation and join the schools allotted to them on day one of the opening of schools after summer vacation.

With deep regards

Yours sincerely,

(Dr. S.S. Phulia)
