## IMPORTANT/PERSONAL ATTENTION

**K.K. Agnihotri**  
Advisor (NSQF)

**D.O. No. 10/58-2015(NSQF)**  
**Date: 6.4.2016**

**Sub: Introduction of applied skills under CSS of Vocationalisation of Secondary and Higher Secondary Education– Coverage of 500 additional Govt. Sr. Sec. Schools during 2016-17.**

Dear all

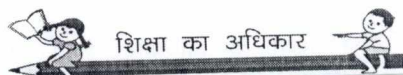

The State Govt. is implementing Centrally Sponsored Scheme of Vocationalisation of Higher Secondary Education, for enhancing the employability skills of our students.

At present, 490 Govt. Sr. Sec. Schools across that state stand covered with 2 applied skills out of 10 skills (IT/ ITeS/ Security/ Automobile/ Retail/ Beauty & Wellness/ Physical Education & Sports/ Patient Care Assistant/ Media Animation/ Agri-Paddy Farming/ Travel & Tourism) introduced in the schools.

MHRD, Govt. of India has now approved coverage of **500** additional Govt. Sr. Sec. Schools from 2016-17 academic session.

The Department had shortlisted 500 schools out of which some schools are from your district. School wise applied skills allotted has since been shared with all concerned. A video conference in this regard was also organized on 28.03.2016. This was attended by Principals of 500 schools, DPCs and DEOs. Parishad will shortly take steps for hiring of teachers and will ensure that the processes for providing Books, setting up of labs etc. are started immediately and completed on the receipt of approvals from Govt. of India.

In the given situation, kindly ensure that the programme is implemented successfully in your district. Please start enrolment in 9<sup>th</sup> class as per the allotted applied skills, as an optional subject in the various schools covered under CSS VE. The scheme permits 25 students per trade. I may add that this being a programme of National importance with the objective of enhancing the employability skills of our children, we must pool all our energies to make this programme a success for the benefit of the children. The children while studying these skills can simultaneously climb up the ladder of higher academic courses as well. Please ensure that these subjects stand introduced in class 9<sup>th</sup> with two periods per day per subject. It needs mention that in

these **500** schools, subject/ subjects would be one of the optional subjects in the scheme of studies which stands circulated by Haryana Board of School Education Bhiwani.

I would therefore request you to monitor this project personally on a regular basis, facilitate its implementation and send progress report regularly. Please feel free to email me any issue which may require resolution at the Parishad level.

A copy of this communication may please be immediately emailed to the schools in your District. District Coordinators and Industry Coordinators from NSQF cell would also visit these schools in near future for necessary facilitation.

Please acknowledge receipt of this communication through email and ensure compliance.

Regards

  
(K.K. Agnihotri)
