D.O. No.10/19-2013 (NSQF)
 Date: 26.3.2014

Sub: Introduction of Applied Skills in class 9th from current academic session under the 'Vocationalisation of Higher Secondary Education' in alignment with NVEQF.

Dear Principals(40 schools list enclosed)

As you are aware yours were the first 40 schools covered during 2012-13 under the NVEQF pilot project and two applied skills were introduced in each of the school.

Last year all the 4 classes from Class 9th to 12th were covered with two applied skills in each class with 25 students in each class. The students having opted for these applied skills in class 9th now stand promoted to class 10th and it is hoped that you might have initiated the process of enrolling students in these applied skills in class 9th from the students who are being admitted to class 9th from the academic session 2014-15. 25 students are to be enrolled in each of the two applied skills. While doing so the aptitude of the students and other parameters as had been explained to you during review meetings of Principals are to be kept in mind.

As done last year, please spare no efforts and pool all your energies to ensure that each applied skill gets 25 students in class 9th, they are properly taught, equipped with skills so as to become competent professionals as and when they opt for a job may be after 10+2 or graduation or post-graduation.

Please send the number of students so enrolled class wise, trade wise from class 9th to Class 12th after completing the admissions in each trade by 15th April 2014.

Regards

K.K. Agnihotri
