

Notification

All newly appointed Block Resource Persons and Assistant Block Resource Coordinators are hereby informed that HSSPP has decided to conduct re-counseling of the stations in view of allocation/ posting order dated 13.09.2019 and issued later on. As such allocation/ posting order gave rise to grievances amongst the effected ABRCs and BRPs too. The Parishad could not settle the grievances/CWPs as such stations were allotted on merit basis and to obtain the uniformity of vacancies among all the districts, some vacancies were kept vacant(blocked) and were not allocated/given to any candidate to provide the support to lower performing cluster/blocks. Such vacancies were kept vacant (blocked) so that the candidates selected may perform their duties in the cluster which are backward in education and result with a vision to provide academic support to teachers of Govt. schools so that class room teaching processes will improve the performance of students. In case all the stations/clusters were opened for ABRCs/BRPs then no candidate will join their duty in remote areas.

Therefore, in view of statement filed in various CWP, HSSPP has decided that such newly selected ABRCs/ BRPs shall mandatorily participate in the online re-counseling drive . In addition to this, the revised waiting list candidate's to whom Parishad will issue appointment letter as per availability of vacancies will also be eligible to participate in online re-counseling.

The guidelines /instructions for the candidates are as under:-

1. The blocked stations will not be allotted to any candidate and it will be displayed on website shortly.
2. Candidates are instructed to fill up maximum number of clusters/ blocks so that he/she may get the station on his/her filled preference.
3. Candidates are also instructed to fill up the name of another 5 districts also apart from the above where he/she may be posted if any of filled choices of stations are not available to the selected candidates. The software has been developed in such a manner that in case the candidate higher in merit does not get any of the stations filled by him/her, the system will choose any of the station randomly from the list of the districts filled by the candidates before moving on to the next candidates..
4. If any candidate could not be allotted to any stations/district of his/her choice being lower in merit or non-filling up of choices , he/she will be considered by the system for the eligible vacancies left unfilled after

the allocation of options/stations to the other candidates . Only then ' anywhere in the state' will be applicable that too will be randomly picked.

5. The stations would get allotted as per the weightage points scored by the candidates and weightage criteria for allotment of stations are as under:-

Merit number/ marks obtained (maximum 100) will be the prime factor for deciding the merit of the candidates for allocation of stations . However candidates belonging to special categories i.e. PWD, women, widow, legally separated/ divorcee women, couple case(only for females) would be given appropriate weightage as per criteria given below . However, maximum additional weightage(Special Factors) available to such candidates would be limited to 20 marks only.
