Subject: "Ideate for India – Creative Solutions using Technology' National Challenge for the youth of our nation lauched by the National e-Governance Division (NeDG), Ministry of Electronics & Information Technology.
I have been directed to inform you that National e-Goverance Division (NeGD), Ministry of Electronics & Information Technology is collaboration with Intel India initiate an "Ideate for India – Creative Solutions using Technology" a national challenge for the youth for our nation lauched on 6th December, 2018.

The aim of this National Challenge is to give school students of our country a unique platform and opportunity to become solution creators for the problems they see around them and their communities. It will enable these students for transition from being 'users' of technology to become 'creators' of new indigenous technologies to solve local problems in their community.

The following are the salient features of "Ideate for India" online Challenge, which is available on www.negd.gov.in or www.digitalindia.gov.in :-

1. The National Challenge is open to students of classes 6-12. There are 11 core theme areas across which students can share their ideas/solutions namely healthcare services, education services, digital services, environment, women safety, traffic, infrastructure, agriculture, social welfare, disability and tourism.

2. 10 students per State & UT will be selected by a panel of experts to attend 5 regional Tech-Creation Boot Camps organized in North, South, East, West and North Eastern regions of the country (1 in each region). At the regional boot camps, students will get trained by technology experts and mentors.

3. All tools, materials and logistics for boot camps and national showcase will be taken care of by the organisers.

4. The students can apply on https://ideateforindia.negd.in and information manual, guidelines and other important documents may be downloaded from https://ideateforindia.negd.in/downloads.

5. The important links/URLs i.e. www.digitalindia.gov.in and www.negd.gov.in for the National Challenge is also available on official website www.hsspp.in.

It is directed to polularize and facilitate this challenge by encouraging schools and students to take part in this unique opportunity.
