Dated 30.09.2016

Sub: Release of various incentives to the students through Aadhar linked accounts.

You are aware that Govt. have taken a decision to release various incentives to the students directly to their Aadhar linked accounts so that the benefits reach directly to the beneficiaries.

The implementation of the decision was taken up as a pilot in a block in Panchkula district. It has been observed that there has been 15% failure in the transactions so made. It shows that the field functionaries at various levels did not take proper care in regard to intimation of exact account number and Aadhar number in the data transmitted to the Department.

Since the Govt. is keen to ensure that the students who are eligible to receive certain incentives must be given incentives without further delay, a serious view regarding such a failure of transactions has been taken by the Department.

You are therefore directed to ensure that heads of institutions be asked to verify the Aadhar card and account number of each and every student, rectify the discrepancy if any within two days and a certificate to the effect that the Aadhar and account number of each and every student enrolled and studying in Govt. schools in your district is correct. Rectification if any alongwith certificate must be reported by Monday evening i.e. 3.10.2016 by 4.00 P.M.

The Department will be releasing the various incentives through RTGs. The process will be started during the next week. In case any failure in the transactions occur for want of wrongly quoted Aadhar card number/Account number, personal responsibility of the Head of Institution concerned as also the block level and district level officers will be fixed for taking strict disciplinary action.

Please ensure follow up action and report compliance by Monday i.e. 3.10. 2016 by 4.00 P.M.
