Subject:- Regarding Early Literacy / reading Programme in schools having 3 or more teachers

The MHRD has approved the Early Literacy / reading Programme under LEP for 6134 schools having three or more teachers as per UDISE -2013-14. This programme contains training of teachers of these schools, two sets of Barkha series. For more details, the proceedings of PAB's meeting held in May 2014 at New Delhi may be seen.

Recently two days' workshop on Early Reading / Literacy Programme was held for all DEEOs, DPCs and BRCs at Panchkula / SCERT. This workshop was organized with the support of NCERT faculty where in details of the programme were shared so that all the district functionaries will be able to implement, supervise or provide hand on support to teachers in schools of their respective blocks of the district. The list of these schools is being shared with you with a view that

- You will ensure the presence of teachers of these selected schools in Teachers training programmes as and when planned for your respective district.
- You will ensure the distribution of Barkha series to these schools only after making the proper stock entries.
- Ensure one hour as reading hour for children of classes 1 and 2 .
- The schools will have a reading corner in classes 1 and 2 where story books be displayed for children within their reach.
- Ensure that children will be encouraged to maintain their own reading corners in their respective classes 1&2.
- Community support may be requested for setting up of reading corner in these schools.

We hope that you will call a meeting of the respective heads and ensure the aforesaid steps to begin with. The compliance report may kindly be sent to this office by 30-12-2014 at pedagogybranch@gmasil.com, dircerthr@gmail.com and manoj_kaushik6171@yahoo.com.
