ORDER

It has been observed that employees working in the field offices apply for different jobs and send their applications direct to the quarters concerned. Subsequently they apply for issuance of N.O.C in the context of the job applied for. This is highly objectionable. As the application had not been sent by the applicant through proper channel, therefore issuance of NOC is contrary to the Service Rules.

It is bring to the notice of all the employees of your office that if in future they apply through proper Channel only then NOC will be issued otherwise not.

Place: Panchkula
